Dear Mr. Casey:

This is to request that you designate a person to participate in a workshop on Soviet military economic relations to be held July 7-8. The workshop is being conducted in cooperation with the Congressional Research Service. We would like a CIA person to take part in the panel discussion on measurement and burden of defense allocations. Senator William Proxmire will preside over the workshop.

As discussed between our staffs, attendance at the workshop will be by invitation and all statements and discussions will be off the record until approved for publication. Members of the press will not be invited. A copy of the agenda and schedule is attached.

I appreciate your cooperation.

With warmest personal regards, I remain

Sincerely,

Gillis W. Long
Chairman

Subcommittee on International Trade,
Finance, and Security Economics
